Activities

The ski area « Grand Large », with its 120 km of pistes, links up the resorts of Corbier, St Jean d'Arves, La Toussuire and Bottières. With access to St. Sorlin d'Arves and St. Colombar des Villards, the Super Grand Large brings the total piste area to 310 km, set in a superb landscape.

To Discover

The resort also offers: cross country skiing, paragliding, introduction to dog sledding, "tales and legends evenings...". Your children will enjoy themselves in the jardin des neiges play area and the Ski France ski school.
The Sybelles ski resort, village, Maurienne...

Situated 200m from the La Chal chairlift and the town centre, the Chalets de la Fontaine are composed of 11 traditional wooden chalets.

Available on site :

Indoor heated pool (12x6m) and sauna
Free WIFI access in the reception of the Fontaine de Roi Residence
Lounge with fireplace
Television (with supplement)
Wood burning stove (in the larger chalets)
