Activities

The Sybelles ski area, with its 120 km of pistes, links up the resorts of Corbier, St Jean d'Arves, La Toussuire and Bottières. With access to St. Sorlin d'Arves and St. Colombar des Villards, giving a total piste area of 310 km, set in a superb landscape.

To Discover

The resort also offers: cross country skiing, paragliding, introduction to dog sledding, "tales and legends evenings...". Your children will enjoy themselves in the jardin des neiges play area and the Ski France ski school.

Situated 200m from the La Chal chairlift and from the town centre, the south-facing residence La Fontaine du Roi is composed of 8 traditional wooden chalets.

Available on site :

Heated indoor pool (12x6m)
